Your eligibility toward holding membership status within Blind Golf Canada is determined by Legal blindness; defined as 20/200 or worse in the better eye with best correction, or having a field of vision that is less than 20 degrees in the better eye. Holding membership within BGC does not automatically entitle you to partake in all tournaments sanctioned and hosted by BGC and/or the IBGA. (See IBGA and BGC Bylaws as they pertain to sight categories and participant's eligibility.)

*****Note:** If you are a first time or new member applying for membership within Blind Golf Canada, your membership form and \$25 cheque must be accompanied by an eye report from your Optometrist or Ophthalmologist (not older than two years or, a photocopy of your current and valid CNIB identification card.

I understand that Blind Golf Canada and/or the IBGA maintains the right to request any additional sight verification at any time and/or prior to participation in specific tournaments.
