## **General Remarks:**

.The objective would be to hold a "**National Open**" with the participation of a max. of 50 players.

. A tournament office will be enabled to facilitate the logistics of all the circumstances related to the celebration of the tournament (deposit of bags, delivery and collection of cards, etc ...)

. The Course has enough buggies for all participants who may require it (upon prior request at the time of registration - price to be determined).

. Homologated glasses will be made available for players who require B1

. We will have the collaboration of 2 referees of the Spanish Golf Federation during every day of the Competition.

. We are already working to achieve maximum coverage in the media and in addition to having the invaluable collaboration and support of both the Federación Española de Golf y Federación Madrileña de Golf.

**Note...**From Spain, we are very interested in promoting this type of competitions, hitherto unknown in our country. We firmly believe that this international level tournament will open the door to new and future players with different visual impairments. Our ambitious project involves working over the next few years to reach the maximum goals in terms of number of players and results in competitions that allow us to match the level of the main countries.

Please, don't hesitate to consult with us to expand this information or clarify any questions:
